Semester One Report Cards

These will be sent home with students today. Please be reminded that this semester's reports will look a little different. Due to COVID-19 and the change in how we delivered learning for a great portion of this Semester, we are only reporting on Maths, English, Science & HASS. The year 3-6 class will also have a result given for LOTE.

Should you wish, you can request a parent/teacher interview with your child's class teacher/s. We will be conducting these in the first 2 weeks of Term 3, please contact the school if you wish to organize this.

Tuckshop

Tuckshop tomorrow, Friday 26th June. Thank you to Mrs Cullen for organizing this!

LifeFlight: Free Dress Day

On Friday 19th June we held a fundraiser for LifeFlight. Students & staff dressed in white, yellow & blue. The TLC committee collected donations on the day which totalled \$160. A pretty great effort for our small school!

School Gardens

We are currently revitalizing our front school gardens. If you have any hollow logs that you would like to donate to our school, we would be very appreciative. We are planning on using different size logs as planters to be a feature in our front garden, so if you have any that

could be of use please contact the school.

School Mobile Phone

Please save our school mobile in your phone: **0448535013**
This can be used to communicate any student absences & for general brief messages.

Facebook

Please check out our latest social media post. Our year 6 leaders have worked hard to create a brief video recapping the term. They had so much fun, they plan to do this each term, stay tuned for future episodes!

School Opinion Survey

Parents and Caregivers are invited to participate in this year's School Opinion Survey and have a say about schooling during the COVID-19 lockdown. You are also given the opportunity to provide feedback about our school more generally.

Participation in the survey is anonymous and you are encouraged to take this opportunity to have your say. The survey form has been designed so that it can easily be completed on a computer or smartphone. The online survey will be available until Friday, 17 July 2020, and should take less than five minutes to complete.

An email was sent out last Wednesday to all families with a link to the survey.

School Banking

School banking will resume from the beginning of Term 3.

Garage Sale

We have some school equipment surplus to our needs that we will offer for sale at a school garage sale. We will hold this garage sale on Saturday 25th July from 8.00-11.00am.

Happy Holidays!

Thank you all for your support throughout this very unusual semester of schooling. As restrictions steadily lift we look forward to inching closer to 'normal' operations. Thank you again for your diligence in following the change in some school processes due to COVID-19. Our Tanduringie school community is truly amazing!

Please take care over the upcoming winter holidays. We wish you all a restful break and look forward to seeing everyone back for Term 3!

Sincerely,
Melanie McNaughton
Principal

Private Tennis Lessons

Tom Farrell will be available next term to offer private tennis lessons. The tentative time is Monday after school. Tom has sent email communication to our families. Please contact the school if you would like further information about this.
